RVMS STUDENT- YOUTH BOWLING

Nick Manning (8th grade) bowled in the Pepsi Youth Tournament this past weekend at HPL Bowling Center in Columbus, OH. He bowled well enough in the scratch and handicap categories to make it to the State Pepsi Youth Tournament in May. Congratulations Nick!

After researching and working hard for 2 months these Heritage 3rd grade boys have their research all typed and looking fabulous!

ELEMENTARY LEARNING

In the last few years the look of classrooms has changed in the elementary buildings. Students now use technology on a daily basis to help with individualized learning. Students can be seen using i-Pads, Chromebooks, and i-Phones to access online learning programs. Students also get to use flexible seating. This allows students to choose their seats and engage in movement throughout the day.

RVHS BAND COMPETITION

On Friday March 10th, the River Valley High School Concert Band participated in the Ohio Music Education Association District 2 Large Group Adjudicated Event at Oak Harbor High School. At the event, the band plays three prepared selections that are judged by three stage judges then participate in sight-reading that is evaluated by a fourth judge. The overall rating is calculated based on all four judges' scores.

The RVHS Concert Band earned the highest overall rating of "Superior". This is their third Superior rating in the last four years and was the first time that the band earned Superior ratings from all three stage judges.
